The story of Buffalo Turf Breeding is simply to show just how difficult it is for anyone to grow Buffalo grass from seed. The homeowner can't do it - it's too difficult. The turf farmer can't do it - it's too difficult, and would be too expensive and time-consuming. Most Buffalo Turf Breeders can't do it - it's also too difficult.

The Wooden Gear is an item that you will use multiple times in Age 0 and Age 1, so it's best to get a good handle on how to craft them. In Age 0, crafting the wooden gear is a bit of an involved process. It requires four (4) Red Cedar Planks and four (4) Buffalo Tooth items to craft, both of which are products of the Totemic mod. The process of acquiring them will be briefly detailed,
