Mazurek, Malgorzata | Department of History - Columbia ...

Coffee, a nation-wide addiction in the German Democratic Republic (GDR), was chronically hard to come by. From the rationing period after 1945 to an acute crisis and outright protests in 1977, the East German populace pressured the socialist state to provide access to real coffee beans, but often had to settle for various ersatz beverages. The black markets and smuggling of beans between East ...
