Justine Picardie's *Daphne*, reviewed and recommended fiction. The reclusive Daphne de Maurier spends her days ensconced in Menabilly, her remote mansion by the sea, the setting for her novel Rebecca and for much of what follows in this multi-layered and formidable tale. Perhaps lulled into

a false sense of security, Daphne works in her shabby hut, an old-looking woman surrounded by the dark ...

Justine Picardie has clearly done a lot of research and knows a great deal about Daphne du Maurier's life and works, but at times, especially in the first third of this novel, I felt as if I was reading a non-fiction book as fact after fact was shoehorned in, often rather clunkily through stilted, unnatural-sounding dialogue.

Daphne by Justine Picardie - TheBookbag.co.uk book review

The life of Daphne du Maurier (1907-89), popular author of romantic suspense fiction, including the classic Rebecca, is the inspiration for veteran author Picardie's speculative biographical novel.. The action spans the years 1957-60 and evolves from the conflicting ambitions of three major characters.
