Feral Children and Clever Animals: Reflections on Human ...

One way that reveals itself in European ideas of the eighteenth and nineteenth centuries was to examine "feral" children--that is, children presumably raised outside culture and civilization--who were presumably raised by animals. In this book, I first reexamine what is known about some of these so-called feral children: namely, Peter, Victor, and Kaspar Hauser, and the "wolf-girls" of India, Amala and Kamala. In Chapters 1 and 2 I examine not so much the dramatic aspects of the children ...

Feral Children and Clever Animals: Reflections on Human Nature by Douglas Keith Candland Hardcover Book, 432 pages See Other Available Editions Description What is it that sets us apart from the rest of the animal kingdom? What makes us unique? What makes us human?

Feral Children and Clever Animals: Reflections on Human Nature

A kid doesn't have to suckle a wolf to be considered a feral child. The term covers any minor who has spent months or years isolated from human contact. While world mythology is full of stories like that of Romulus and Remus, there are some real-life instances in which children have spent years in solitude, often with animals as their closest companions.
