Hearths Of Darkness The Family

Hearths of Darkness: The Family in the American Horror Film traces the origins of the 1970s family horror subgenre to certain aspects of American culture and classical Hollywood cinema. Far from being an ephemeral and short-lived genre, horror actually relates to many facets of American history from its beginnings to the present day.

Hearths of Darkness: The Family in the American Horror ...

After tracing relevant psychoanalytic and historical origins of the family horror film, Tony Williams traces this theme's development from Frankenstein, Hitchcock's influence, Satanist movies, to the genre's seventies renaissance. The book also argues that family horror never vanished from the eighties films but still functions as a motif.
