Hesston Baler Parts

Hesston has been known as the hay and forage innovator since 1955, when the company developed the first commercially available self-propelled windrower. Other industry firsts have included the first hydrostatic windrower, the first center-pivot mower-conditioner and the first big square baler—which had nearly 50 individual patents of its own.

Big Baler problem Hesston 4750 - posted in Machinery: Hey guys was baling today and the hydraulics on the baler wasnt working just right. I had the control monitor set on closed center the load set on 150 and the pressure set on auto. My tractor is a JD 4455 mfw so it is a closed center. I had to bumb the remote after every bale was made to maintain the load.
