In Make-believe Media, Parenti turns his eye to entertainment for an absorbing, challenging look at the way America's "free and independent" television and film industries actually promote the ideas of the economic and political forces that control them.. Through thoughtful analysis of specific entertainment programs from family sitcoms to medical dramas, cartoons, and blockbuster movies ...

Make-believe Media: The Politics of Entertainment

Jacobson is almost certainly right: this behavior will reset the baseline for make-believe media behavior. And I'm including the conservative blogs in this warning. Too often I see bloggers trusting the MBM, and then, a few days later, having to post a mea culpa for having trusted them; and too often there is no mea culpa.
