My choice was the NAD T760 because the power rating is conservative and it has a simple plain jane design,easy to operate. Result: The sound is pure and natural.Other Japanese receivers are cluttered with different modes which I don't need. The more I run this receiver the sound gets better & better. The NAD T760 has Dolby Digital as well as DTS and what they call EARS for ambient processing. This is an excellent receiver for Music an Movies there are things one can nitpick (see other reviews) but that is being hyper critical, I do not need the sub in stereo mode as I have a small room, but I can see why some would want that feature.
