Redwork was also used to embellish tea towels, aprons, pillow covers, splashers and other Victorian decorations. Traditionally the main stitch that was used to outline the designs was the Stem Stitch (right, worked with the working-thread to the right of the needle) or Outline stitch (working-thread to the left of the needle).

The approximate date is 1892-1895, possibly made in Pennsylvania. It is in the Michigan State University Museum. This particular quilt combined Redwork with the Crazy quilt concept which was also a style popular at this same time. The stitcher used the herringbone stitch to break the squares up into "crazy pieces".

Simply Redwork: Embroidery the Hugs 'n Kisses Way ...

Redwork work embroidery is a simple embroidery technique in which outlines of designs are made with stem stitch in only red embroidery thread. It is usually done on white cotton fabric. In this embroidery, simple drawings depicting nature, animals, women in hoop skirts, houses, etc are used and the outlines of these shapes are done in stem stitch and are complimented with french knots back ...
