The end game, being the last part of the game, is the point in the game where territory is solidified, destroyed, and made. The end game is an important part of the game; doing badly in the end game can cause a loss. The game will end when either both players pass or one player resigns (gives up). If one player resigns the other wins.

Legato playing also involves a technique called “trapping the note.” This means holding a key down with one finger so that you can advance to another key (note) with a different finger. For example, if you initially press a key down with your first finger, you may need to use your thumb to keep that key down, so that your first finger can advance to another key.
