In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

The Book Of Totally Irresponsible

This book is shelved at the library in the juvenile section, yet parts of it seem written for adults, not kids. I suppose adults should be involved when kids are doing irresponsible things, but in this case, "irresponsible" has more to do with learning through play than it does destruction or waste.

The Book of Totally Irresponsible Science: 64 Daring ...

Sean Connolly is the author of the Totally Irresponsible Science series and dozens of other books for both children and adults. A father of three, he is in an ideal position to explain the nuts and bolts of these experiments. He lives in England.

The Book of Totally Irresponsible Science: 64 Daring ...

Totally irresponsible science leads one to believe that this book is chock full of daring, potentially dangerous experiments, on the cutting edge! Right, if you think that mixing vinegar with baking soda (an experiment he repeats and relies heavily on) is walking on the edge of danger, well, I suppose you could say that.

The Book of Totally Irresponsible Science by Sean Connolly ...

The Book of Totally Irresponsible Science | Stand back Genius at work Encase your little bother in a giant soap bubble. Drop mentos into a bottle of diet soda and stand back as a geyser erupts. Launch a rocket made from a film canister. Here are 64 amazing experiments that snap, crackle, pop, ooze, crash, boom, and stink.

The Book of Totally Irresponsible Science by Sean Connolly

Totally irresponsible science is light-hearted and breezy, with a good variety of activities. Fortunately the definition of irresponsible is pretty generous; a ten year old with microwave privileges can do most of these activities without too much adult intervention, so the kid will get to do the activity her/himself (which is a lot better than watching your dad/teacher do all the fun/tricky ...
