**The Cultural Industries by David Hesmondhalgh ...**  
Hesmondhalgh - Cultural Industries Theory. What is the theory?  
Most products are consumed when used and have to be bought  
again, but media products are bought once and continually used  
- they never wear out. So, companies have to make a lot of  
money out of their products initially, because they don't often  
resell the same product repeatedly.
