The images of the consumer form the foundation for various EU policies, more or less directly oriented towards the goal of consumer protection. The purpose of the volume is to establish what visions of the consumer there are in different contexts of EU law, whether they are consistent, and whether EU law's engagement with consumer-related considerations is sincere or merely instrumental to the achievement of other goals.

Sep 28, 2020 - This board surveys consumer behaviors and what is more broadly discussed as consumption among sociologists. As sociologist Thorstein Veblen observed, there is far more going on than simply paying money for goods. The board looks specifically at topics ranging from Veblen's notion of conspicuous consumption to Horkheimer and Adorno's ruminations on the consumption driven by the ...
