Everyone who uses UML will benefit from OCUP 2 certification. Not all UML users are model builders - some will be model users. All of these professionals will benefit from OCUP 2 Certification. The OCUP 2 program tests a modeler's or user's knowledge and skill in the way that the Unified Modeling Language is used. You should come to the test knowing the names, shapes, and definitions of the elements listed in our Coverage Maps, and how they appear and are used in models.
