Exclusive Interview with Master of Watercolor: John Salminen. Every time I look at John Salminen's work, I simply get happy. I spend several moments studying each painting — taking in the colors, the compositions, the narratives, the forms — and this visual absorption just buoys up my spirits.

### Contemporary Watercolor Artist John Salminen Shares Hard ...

When painting water, Evansen is careful to paint from observation, not formula. He generally uses a slightly darker version of the sky color for the whole body of water. (Water tends to be lighter at the horizon and darker in the foreground, but conditions can vary.) "When the wash is still damp, I use a small brush and a darker version of the same color to create the shadow of the waves," the artist explains.
