### Streaming Media Player - static.highspeedbackbone.net

Just wondering. Can I use the WD TV Media Player as a "slide show" player? For instance, using a flash drive loaded with photographs, connect to a TV and then show all the photos--in some sort of sequence. If this is possible, can there be audio (music) along with the photos? Can I set the unit to play the photos at a set time-per-photo? Thank you.
